Interests: Artificial Intelligence · Software Engineering · LLMs · AI4SE

About Me

Biography:

- I am an AI researcher with extensive experience in artificial intelligence and software engineering.
- I am currently pursuing a Ph.D. in Computer Science at the University of Lille.

Awards:

- Best Paper Award (3rd place) — IWST 2025, Gdańsk, Poland
  AbedelKader, O., Ducasse, S., Zaitsev, O., Robbes, R., & Polito, G. (2025). Package-Aware Approach for Repository-Level Code Completion in Pharo. *International Workshop on Smalltalk Technologies (IWST)*. DOI.

Publications

- Elkolei, M., AbedelKader, O., Ducasse, S., & Zaitsev (2026). Alternative UX Extensions and Their Trade-offs for Code Completion in Pharo. *International Workshop on Smalltalk Technologies (IWST)*. DOI.
- AbedelKader, O., Ducasse, S., Zaitsev, O., Robbes, R., & Polito, G. (2026). Evaluating Package-Level Scoping Strategies for Repository-Level Code Completion in Pharo. *Journal of Computer Languages (COLA)*. DOI.
- Kier, K., Giagnorio, A., Abedelkader, O., Zaitsev, O., Peharz, R., Robbes, R., Bavota, G., & Ducasse, S. (2026). Teaching LLMs a Low-Resource Language: Enhancing Code Completion in Pharo. *International Conference on Software Maintenance and Evolution (ICSME)*. DOI.
- AbedelKader, O., Ducasse, S., Zaitsev, O., Robbes, R., & Polito, G. (2025). Package-Aware Approach for Repository-Level Code Completion in Pharo. *International Workshop on Smalltalk Technologies (IWST)*. DOI.

Services

2027

- Committee Member in Artifact Track at FormaliSE'27
- Shadow Reviewer at ICSE'27
- Contributor at Café IA (Conseil National du Numérique).

Teaching

2027

- Teaching assistant at IUT : *Software Maintenance* 12h Tutorials IUT-Lille
- Teaching assistant at Polytech: *DataBase* 16h Labs Polytech-Lille

Software

ChatPharo

- Live conversational interface between Pharo developers and large language models.

INERIS-IA

- AI platform developed at INERIS for document classification and knowledge management.

Public Talks

2026:

- ESUG 2026: ChatPharo: an AI Assistant inside Pharo
- ESUG 2026: Pharo-LLM: Building a sovereign LLM ecosystem in Pharo

Professional Experience

- PhD Student - Oct. 2024 - Oct. 2027 - INRIA Lille / LaBRI Bordeaux
- Invited Researcher - Sep.2026 - Dec.2026 - Polytechnique Montréal - Montréal, Canada
- AI Engineer - Sept. 2023 - Sept. 2024 - Institut national de l'environnement industriel et des risques (INERIS) - Verneuil-en-Halatte, France
- Intern - June. 2023 - Aug. 2023 - Laboratoire d'Informatique de Paris Nord (LIPN) - Villetaneuse, France

Education

- Ph.D.in Computer Science, University of Lille
- M.Sc. in Natural Language Processing, University of Lorraine
- B.Sc. in Data Science, Lebanese University

Languages

- **French:** Native
- **English:** B2
